Description
This special deal includes a 9-cavity Alo Hale collection Mo Bettah Musubi mold and a Skinny Turner designed for Musubi. The 9-caity mold combines rugged functionality with a pleasing look and an ergonomic handle. It is part of the Alo Hale collection, which translates to home living. The turner is designed to be 1.8 inches in width, so that it can comfortably and securely pick up a rectangle shaped musubi or Spam musubi with ease and allow the preparer to wrap a sheet of nori around the musubi whole holding it, without the worry of teh spatula cutting the nori. An ideal gift set as it it packaged in a special larger box to accommodate both items.
