Whixer S1 Mixing Tool and Spoonula, baking essentials set.

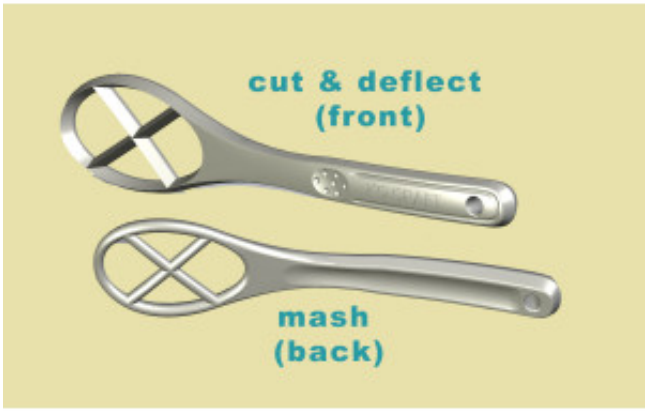

Brand: Ko Craft
Product Code: WXS1SET
Availability: 100
Weight: 8.00oz

Price: $18.00

Short Description
Combination set of a silicone WHIXER and a SPOONULA

Description
This is the third version of the popular WHIXER mixing tool. It is offered in a baking set of a WHIXER S1 and a SPOONULA. Both utensils are made of silicone with a metal insert for strength. The S1 WHIXER offered here is a unique design. It's mixing head features an x shape cross section with our patented cut and deflect design. The back side of the head features a rounded back to allow for initial smashing of your ingredients until they become liquid enough to use the front for cutting and blending. The tools length is about 9 3/4 inches which is a medium length. Available in slate blue or rust red. Comparing the S1 with the original and XL versions. The S1 is made of food grade silicone with a metal insert. The original and XL WHIXERS are made from high grade nylon with a food grade silicone handle. The original and the XL WHIXERs feature diamond shaped head flanges for cutting and deflecting on both sides of the tool and can be considered a large and small pair. The S1 Whixer features a teardrop shape for the flanges to cut and deflect on one side and a rounded edge on the back to smash. It is a medium length.
